

# *Did You Know?*

## **Meet the Neighbors**

Our Arlington campus is surrounded by four Arlington County neighborhoods: Green Valley (Nauck until May 2019), Columbia Heights, Arlington Views and Arlington Ridge.

## **Meet the Neighbors**

Under Virginia law, towns may be incorporated within counties; however, the state does not permit the creation of any new incorporated towns within a county that has a population density greater than 1,000 persons per square mile. As such, Arlington County has no incorporated towns within its borders, but several neighborhoods within Arlington are commonly referred to by name as if they were distinct towns. Maps of the four neighborhoods surrounding ANCC Arlington are shown below.
