¹ From its inception through 1932 the Vice-President position was offered to the Service Chiefs (Army COS, CNO and CMC), a practice justified by COL Stanley at the 2/20/1928 BOG meeting. It appears that from 1933-1937 the position was shared by one Army and one Navy flag officer. The VP position does not appear to have been a singularly held position until 1939.

² Club Secretary and Treasurer were not separate positions until 1930.

³ Resigned March 4, 1926

⁴ Died in Washington DC May 20, 1932

Note: The basis for this list was a similar list on the "Army Navy Country Club 1924-1989 Historical Review". Several errors in the original list have been corrected and the list made current by a review of the minutes of the Board of Governors and Executive Committee. It is not claimed that this list is perfect because the minutes have gaps and the reviewer may have failed to take note of some entries.
