

ANCC
FOUNDATION
Did You
Know?

ANCC Centennial

The following are the ANCC Foundation's plans in support of the ANCC Centennial:

“Did You Know” (DYK): Since the November 2015 inception of the DYK articles in the ANCC monthly newsletter, the ANCCF has strived to provide original material for each monthly DYK. During the ANCC Centennial year you may see some original articles, but most will be a repeat of those articles that the ANCCF considers to be the most interesting and informative. These “reruns” will be of two types, those that are essentially verbatim copies of earlier articles and those that have been “enhanced” with additional/updated material.

Centennial History Presentations: The ANCC Foundation will provide four 90 minute ANCC history presentations in the Arlington Clubhouse Five Star Ballroom:

September 14, 2023: ANCC Property History (Completed).

February 22, 2014: Golf, Youth & Fitness History.

May 2, 2024: Arlington Golf Course History. This presentation contains significant enhancements over the May 2016 edition.

September 26, 2014: Fairfax Golf Course History. This presentation contains significant enhancements over the May 2017 edition.

Note: The four presentations will be recorded, and the recording (along with the presentation slides) will be posted on the ANCC Foundation website (www.anccfoundation.org).

ANCC Centennial Living History:

The ANCC Centennial will also witness the posting of ANCC Centennial History on the ANCC Foundation website. The ANCC Foundation has termed the ANCC Centennial History as “living” because the online format will permit the update as new material and insights come available plus the posting of additional Chapters as further research and writing are completed. Among the Chapters to be posted online for the Centennial on November 11, 2024, are:

- Forward
- Preface
- ANCC Development
- ANCC Membership
- ANCC Property (Land Acquisition & Sales) History
- ANCC Facilities History

ANCC Arlington Golf Course History
ANCC Fairfax Golf Course History
ANCC Racquet Sports History
ANCC Aquatics History
100 Years of Golf at Army Navy Country Club
Fitness and Wellness at Army Navy Country Club
Leading Women of Army Navy Country Club
Youths and Juniors at Army Navy Country Club
ANCC and the COVID Crisis

Note: While we anticipate all the Chapters will be available by the Centennial date, some may not be complete.
